I understand and agree that the School may require the withdrawal of my child or expel my child at any time. If in the opinion and professional judgment of the School's Administration such dismissal is appropriate for any reason, including, without limitation, as a result of conduct contrary to the School's rules, policies, and procedures, behavior unsafe to self or others, or academic performance inconsistent with the School's standards. I further understand and agree that the School reserves the right to take disciplinary action, including dismissal, if, in the opinion of the School's Administration a student's conduct off campus negatively affects the general welfare and reputation of the School.

An appeal process may be presented to the Board of Directors.

I understand that placement is for the entire academic year, and by executing the enrollment contract, I acknowledge that I am obligated to pay all tuition and fees accrued for said term in a timely manner according to the payment plan selected. The School may dismiss a student for non-compliance of payment obligation. If my child, for any reason, fails to enter or attend the School, I remain responsible for tuition for the full year. I agree to pay all costs and expenses, including without limitation, reasonable attorney's fees incurred or expended by the School, in the effort to collect any payments due hereunder regardless of whether such are incurred in litigation or otherwise. A \$35.00 fee will be assessed for checks returned for non-sufficient funds or closed accounts.
